

### **Basic Tenets for all Tea Party Like Groups .**

1. Adhere to the principles in the Constitution as set forth by the Founding Fathers. The Separation of Powers, Bill of Rights and States Rights are to be respected.
2. Term Limits that will allow for a Citizen Led Government not career Politicians.
3. Competition by working with the private economy is the tool that creates efficiency for states, counties, businesses and Individuals.

### **Who is the Tea Party?**

1. Citizens from all over the country who feel levels of government have become too attached to special interest groups at the expense of the common good and rule of law.
2. Citizens who see the abuse of the taxation process as going from providing needed services to the purchasing of votes whose goal it is to keep the current elected official in office.
3. Citizens who wish to stop the expansion of government at all levels and to reverse out of control spending and debt.

### **The Action Plan**

1. Political Education followed up by Citizen Involvement.

### **How has the King William Tea Party Contributed?**

1. "Hot Button Issue" Road Signs - Website - Educational Meetings Twice Monthly
2. "Get Out The Vote" Drives - Citizen Voice at all Levels of Government
3. "Fliers" and "Letters to The Editor" - Candidate Debates - Coordinate with Like Minded Groups
4. " Put a Spotlight on the " Business as Usual" Politicians who cater to Special Interests

**In Conclusion**

The Tea Party believes our government at all levels has stepped over the limits placed on it by our Founding Fathers. Our Government spends too much money which keeps the power in the hands of politicians and keeps free choice out of the hands of the citizens.

We need a trustworthy and efficient government that follows the rule of law.

We need to return to a government that is “Of The People”, “By The People” and “For The People”.

**ALL CITIZENS ARE  
NEEDED TO MAKE IT  
WORK.**
