

AMERICAN MAJORITY CAMPAIGN TRAINING IN KING WILLIAM

Our nation was founded by ordinary citizen activists desiring a government that was ***accountable to the people***. Today, ordinary citizens across our nation are tired of the status quo and ready to engage for the betterment of their communities. American Majority's political training addresses these passions by providing education and resources to help you meet your goals.

If you are running for local office, have ever thought about local running for office, are helping with a campaign or want to understand more about the political process, plan on attending this event. Learn what candidates need to do in order to win!

Please plan on joining us in a **two-part session** addressing the How's and Why's of running for a local elected office in King William so we can begin the work of taking back our schools and local governments from liberal ideologies and restore American values, integrity and proper management to our government offices.

We've been on the sidelines too long – let's SERVE our community by stepping up where it really matters!

April 5th and 21st from 6-8 pm at Vinny's Italian Grill & Pizzeria.

Please register on the websites below if you plan to attend the meeting/s so we have an accurate head count for training materials:
