

## **RESTORE VIRGINIA NOW**

VIRGINIA CONSTITUTIONAL CONSERVATIVES

# **2021 State Candidate Survey Results are Official!**

Virginia Patriots,

Over the past 8 months we have mailed, hand delivered and emailed every State Candidate on the ballot our 2021 Restore Virginia Now Candidate Survey. Every single candidate was asked hard questions such as-

- Will you support legislation to repeal Red Flag Gun Confiscation
- Will you support empowering parents through School Choice
- Will you restore the 2nd Amendment by supporting Constitutional Carry

- **Will you support ending all unconstitutional mandates such as mask orders, forced vaccination and shutting down our schools, churches and businesses**

And now the final results are in.

In the race for Governor, Lt. Governor and Attorney General, only **Winsome Sears (R- Lt. Governor)** completed our survey, taking a stand on hard issues and dedicating herself to fighting for liberty and your God-given, constitutionally protected rights.

All other Statewide candidates refused to go on record.

That is the bad news.

**The good news is that many candidates for the State House of Delegates pledged to fight against the gun grabbing socialists and fight to Restore Virginia!**

**[You can see the results of the 2021 Restore Virginia Now Candidate Survey by clicking here.](#)** Here you will find the candidates with the guts to go on record and dedicate themselves to fighting for Virginia.

**We asked specific policy questions, and when you view the results, you will see who-**

**-Answered Y+ meaning they will lead the fight on this specific issue**

**-Answered Y meaning they pledge to vote in support of the specific issue**

**-Answered N saying they will vote against freedom and liberty**

**-And finally, R- meaning they refused to answer and are hiding their**

## **positions from the voters**

Those who have the courage and intestinal fortitude to go on record on hard issues, taking a stand for liberty and the Constitution, are the only candidates you can trust. If elected, they will fight with integrity and courage to restore Virginia and roll back years of radical rule.

### **Politics and politicians as usual will not preserve liberty.**

We live in uncharted times where tyranny is lying around every corner, where corruption is rampant and the very fabric of the Republic is being attacked.

The Radicals in the Biden Administration and their cronies in Richmond will never back down. Why is it that so many who claim to be conservative won't fight back?

**This is the time for champions, not politicians. Champions who will take a hard stand, go on record on very hard issues, and fight to restore the Constitution.**

Not just tinker around the edges....just re-arranging the chairs on the deck of the Titanic is what many seem committed to doing.

And we will not let them get away with that. Will you?

**If not, whenever a candidate asks for your support, your donation, your volunteer time or your vote, ask them if they have completed our survey. And if they want your support, they had better publicly support the issues you care about.**

**Again, we asked specific policy questions, and when you view the results,**

**you will see who-**

- Answered Y+ meaning they will lead the fight on this specific issue**
- Answered Y meaning they pledge to vote in support of the specific issue**
- Answered N saying they will vote against freedom and liberty**
- And finally, R- meaning they refused to answer and are hiding their positions from the voters**

**If they will not stand with you before they are elected, you know they will not after they are in office.**

My Grandfather always said it is not the Devil with horns he feared, for he knew to avoid them. But rather it was the Devil hiding in a suit preaching scripture that terrified him. Many candidates will claim privately they support the 2nd Amendment, School Choice, Freedom, Liberty and the Constitution.

But private promises mean nothing.

**Because politicians lie.**

Over the next two months we will be working hard to educate the voters in key districts on the stances of their candidates. Who pledged to do what, and who ducked the question.

Our volunteer teams will be working tirelessly to be sure that every voter in the Commonwealth has access to and has seen our survey. For only an informed and educated people can make the right decision at the voting booth.

[If you support our efforts to get champions for liberty elected in 2021, please click here to donate to our efforts.](#) In politics, donations are ammunition. Without ammunition an army cannot fight. We have the high moral ground, we have the motivated patriots, right is on our side, but without ammunition to wage war, we may lose.

For some of you donating an additional \$5 might be a great sacrifice, and for others \$500 is easy. [No matter the amount, if you click here to donate to our efforts, know that every dime will be used to rip the Richmond Radicals from power and Restore Virginia.](#)

I would like to take a moment to thank all of our volunteers and donors who have brought us this far.

Will you help us finish the hand?

In Liberty,

**PPS- The radical left is funded by millions of out-of-state dollars. We however, rely on donors such as yourself to fund our efforts to not only keep a close eye on the Criminal Minds, but also to smack down and defeat any and all of their hairbrained schemes.**

**Will you help us?**

**Know that no matter how much you donate, every dime will be used to stop the Richmond Radicals and Restore Virginia. [Please click here to arm our volunteers with the donations they need to fight and win.](#)**
